

Frome Scout Rifle and Archery Club are looking for new members to join the team. We meet at Shepton Mallet Scout hall on Sunday evenings, 5 till 8 twice a month. If you are interested in joining us please contact Craig Powis, Tracey Powis or Ciaron Powis on home telephone number 01373 304504. Or email us at craig-powis@sky.com or tracey-powis@sky.com , ciaron-powis@sky.com

Within the club, we give you the chance to earn a shooting qualification called the YPS (youth proficiency scheme). This is an NSRA qualification that is recognised nationally and it looks great on your CV! This can also help you towards your bronze and silver DofE awards.

We take on 11 to 21 year olds. We do take younger people but we must speak to parents first. Parents or guardians welcome.

As this is a scouting organisation we do charge for subs. This is normally £25 a term, this helps towards keeping kit up together and rent.

If you would like to come and join us, or wish to know any more information that I haven't covered in this letter, (with your parents' permission) please contact the above names.

Regards

Frome Scout Rifle & Archery Club
