

East Somerset District Day Hike Sunday 24th November 2024

Dear Leaders,

The next Day Hike is fast approaching! Please encourage your Scout teams to attend. A separate letter is attached for Scouts and Parents – you’ll need to complete a date when you want forms and money handed in, then specify if you want cheques paid to your Scout Group or East Somerset District Scout Council and please add this at the bottom where the £1.50 is requested – other than that it should be OK to print and hand out.

An adult health form is attached in a separate document for you and any other adults. We need a minimum of one adult (preferably two) with each team of young people that you enter. We also need additional volunteers to be on checkpoints. If you’re volunteering without entering a Scout team, please complete the form at the end and bring it with you on the day but confirm your attendance with the Organisers by Sunday **17/11/2024**. Dogs are welcome but must be kept under control at all times.

To enter a Scout Team;

- Organise a home contact for the event and complete the entrance form and home contact sheet at the end of this letter.
- Return the entry form, health forms (for all adults and young people) and home contact sheet by **Sunday 17th November 2024**

Team start times will be organised that weekend and distributed by e-mail that week, giving you at least one week to let parents know the final details but route details for completing route cards can be sent out once teams are entered/received – earlier paperwork, earlier route details!

Start and finish will be Wincanton Scout Hut, Recreation Ground, Wincanton, Somerset, BA9 9ED. (Google River Cale Café for Hut Location, not parking).

What3Words Location: dictation.finely.duplicity (Park in Car Park on entry and walk to 200m ish to Hut).

Map 129 Yeovil and Sherborne and Map 142 Shepton Mallet and Mendip Hills

Start times are expected to be from 8am to 9am. Estimated finish time will be available on the day of the hike.

Please manage parent expectations on pick up times! We cannot exactly know when the teams will arrive back but provide our best estimate.
